

HAUL PERMIT APPLICATION

(HAUL PERMIT REQUIRED FOR LOADS OF 5,000 CUBIC YARDS AND OVER)

GENERAL CONDITIONS

1. That the Permittee assumes the responsibility and all liability for any injury to any person or damage to any property caused by or arising out of the exercise of this permit.
2. That all work done shall be at the sole expense of the Permittee and shall be done at such time and in such manner as to be least inconvenient to the traveling public, and as directed by the City. Work must be satisfactorily completed in the time specified on the permit.
3. That in the event that the work to be done under the authority of this permit necessitates the creation of any hazard or source of danger to any person or vehicle using said highway, said Permittee shall provide and maintain at all times during the existence of said hazard, sufficient barriers, danger signals, lanterns, detours, and shall take such other measures or precautions as the City shall direct. Barricading of streets and channelization of traffic shall conform to the provisions of the Manual on Uniform Traffic Control Devices. All work performed under the authority of this permit shall be done in accordance with the latest MAG Uniform Standard Specification.
4. That if the work to be undertaken is of such a nature or character that the City deems it necessary that said work be laid out or inspected by the City, the Permittee will defray any and all expenses incurred by the City, and Permittee herein agrees to reimburse the City, and for that purpose will deposit with the City a sum of money in the amount necessary to cover all costs incurred by the City.
5. That in the event any property belonging to or the area occupied by such property being used by the Permittee within any portion of the right-of-way interferes with or is needed to construct, maintain, reconstruct, improve, or relocate any highway, street, road, drainage, or sewer lines, or structures pertaining thereto, by or for the City, the Permittee shall at its own expense, relocate, remove, lower or raise such property within a reasonable time, when so notified by the City.
6. All hauls will require a pre-construction meeting. At this meeting it may be determined that a street sweeper is required at ingress and egress. Any additional requirements will be discussed at this time (public notification, police officers, truck wash racks, etc).
